22 October 1970

MEMORANDUM FOR: Chief, Logistics Branch, NPIC

SUBJECT: Request for Surplus Light Tables

REFERENCE: Memo from CIA Member, EXRAND dtd 15 Oct 70;
Subject: Forthcoming Availability of
9" x 40" Light Tables (IAS-185/70)

1. The Office of Special Activities has a need for two (2) of the surplus light tables mentioned in the reference. We would appreciate the 940 MCE model if convenient.

2. We plan to send these tables to one of our field detachments; therefore, would not have an exchange table easily available.
